

## **Sonoran Desert Life**

**Night time sky in the desert  
Hiding away always in day  
Prickly pear might give you a scare  
But javelinas will give them a bite**

**Listen at night to hear coyotes howl  
Prey fear the bobcats growl  
A hawk flies around  
What's this?  
He spots a rodent on the ground**

**Sonoran Desert has lots of heat,  
Animals in the desert are tough to beat  
Some in the desert calls it sweet!!**
