

## TORTOISE

Tortoise, oh tortoise, I love the way you move  
Tortoise, oh tortoise, you have a funky groove.

Tortoise, oh tortoise, I like what you eat  
Tortoise, oh tortoise, you're an herbivore: you don't eat meat

Tortoise, oh tortoise, your shell keeps you protected like a shield  
Which in the desert is a pretty big deal!

Tortoise, oh tortoise I love you, I do  
Just like I love my family too

Tortoise, oh tortoise I hope you live a long, good life  
Eating lots of prickly pear fruit and facing no strife
