

Our Sonoran Desert

*Snake tails rattle
They get ready for battle*

*Saguaros stand tall
Through winter, spring, summer and fall*

*Road runners run
All day in the sun*

*Stars come out at night
They stand there shining bright*

*Javelinas slurp
Bats chirp*

*The sun rises once more
Nocturnal animals snore*

*Everyone young and old
Have told...
Stories of our Sonoran Desert*
