

"My Home"

By Liberty Sharpe, 2nd grade

Sunshine hot, sand so cool.
Cactus look like prickly jewels.

Howl, howl coyotes at night,
Lizards zoom quick as light!

Suprise storm, pitter pater splash!
Desert thunder, makes a big crash!

Birds chirp and make a happy sound.
Beautiful sunsets all around.

The Sonoran Desert is a great place
to roam and I am lucky to call it
my home!
